Dear Sir/Madam,

Mabuhay!

On behalf of Sagip Buhay Medical Foundation, Inc. and the thousands of patients of the Philippine General Hospital, we wish to extend our warmest gratitude for your donation of 500 Euro. This would greatly help our patients admitted at the Medicine Wards and Medical ICU.

Every month, because of generous supporters like your organization, an average of 50-60 patients are able to receive help from Sagip Buhay Medical Foundation, Inc. They receive antibiotics, free diagnostic tests and other medications that help improve their condition.

You may visit our website at <http://www.sagipbuhay.org/index.php>, to see more of our upcoming projects and the stories of our beneficiaries.

Thank you very much and may the good Lord bless you a hundredfold!

Sincerely yours,

RODY G. SY, M.D.
